

Q&A

<About the Game in general>

Q: Are MASTERS and FUSION WORLD compatible together?

A: Although the two game titles share some common rules, you cannot use cards from one game with the other.

Q: Will FUSION WORLD replace MASTERS game?

A: FUSION WORLD will not replace MASTERS and will continue to operate as separate game title.

Q: Will products for FUSION WORLD release at the same time as MASTERS?

A: Booster packs, the main item, will be coordinated so that two titles will not be released in the same month. Some items, such as starter decks, may be released in the same month.

Q: Will digital version be for both games?

A: The digital version will be offered only in FUSION WORLD.

Q: Will the game be released in other languages apart from English and Japanese?

A: At this moment, we only plan to release English and Japanese.

<About the Digital version >

Q: When will Digital release?

A: Release is scheduled during February 2024. More details will be available on the official web site in the future.

Q: How will the promotion codes in booster packs work?

A: We are considering a special offer where each promotional code will unlock an in-game item. Please wait for further information.

<About the Event>

Q: What kind of events are planned?

A: We are planning regional Championships throughout Y2024. Also there will be several trial events, pre-release events! Stay tuned for more information.

Q: How do we apply for FW events?

A: Please apply through TCG+ for Pre-Release Event/Celebration Event in 2024 February-March. Application date will be informed near the event month.
