Event flow when using cards like (BT3-079 To Save a Hopeful Future) and {BT1-107 Cold Bloodlust}.

The skill that puts a Battle Card into play is paid for and activated.

In this case, {BT3-079 To Save a Hopeful Future} is activated.

*At this time, no Battle Card is chosen to be put into play.

The Counter:Play skill is efore the skill that activated b puts a Battle Card into play is resolved.

The Counter:Play skill is activated after the skill that puts a Battle Card into play is resolved.

Counter activated.

Counter:Play skills can be activated after a skill that puts a Battle Card into play has been activated but before that skill resolves. In this case, {BT1-107 Cold Bloodlust) is activated.

{BT1-107 Cold Bloodlust} is activated in response to {BT3-079 To Save a Hopeful Future

*No cards have entered the Battle Area yet.

and the Battle Card enters play. play a Battle Card happens at this time, when the skill that

The skill is resolved

The decision of whether or not to puts a Battle Card into play is resolved. In this case, we're putting {BT2-072 Bundle of Curiosity Son Goku} into play. After it enters play, Bundle of **Curiosity Son Goku's** " Auto When you play this card,

draw 1 card" skill enters pending.

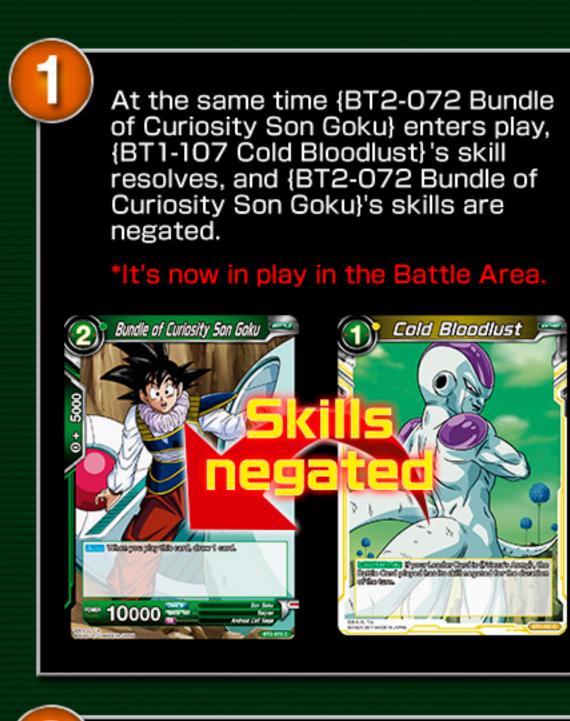

{BT3-079 To Save a Hopeful Future}'s skill puts {BT2-072 Bundle of Curiosity Son Goku} into play from the Drop Area.

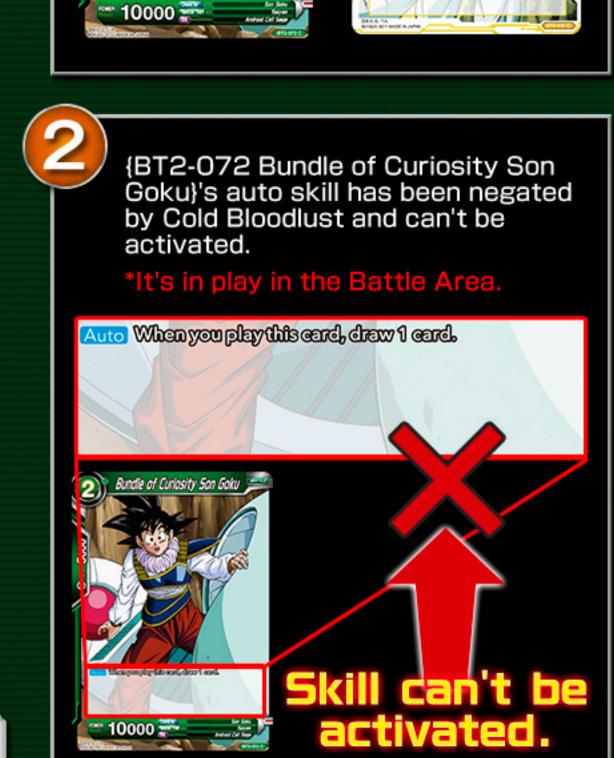

*It's now in play in the Battle Area.

The skill that puts a Battle Card into play is resolved. The Battle Card enters play.

The decision of whether or not to play a Battle Card happens at this timing, when the skill that puts a Battle Card into play is resolved. In this case, we're putting (BT2-072 Bundle of Curiosity Son Goku} into play. Since {BT1-107 Cold Bloodlust} applies its effect to played Battle Cards, its effect is resolved at this time. {BT2-072 Bundle of Curiosity Son Goku) has its skills negated at the same time it enters play. Its " Auto When you play this card, draw 1 card" skill doesn't enter pending, and can't be activated.

Counter activated.

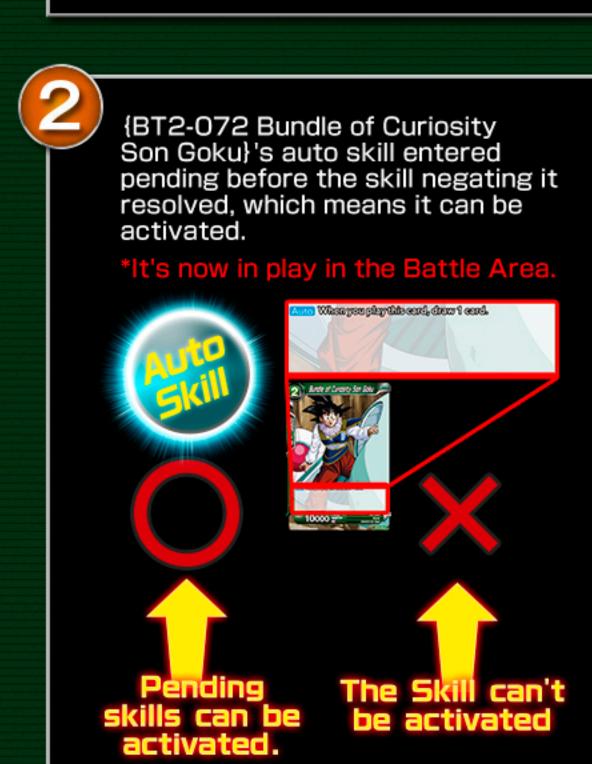

Counter:Play skills can be 1 Cold Bloodlust activated after a skill that puts a Battle Card into play has been activated and resolves. In this case.

{BT1-107 Cold Bloodlust) is activated in this window and its effect

resolves. Bundle of Curiosity {BT2-072 Bundle of Curiosity Son Goku) skills are negated.

{BT2-072 Bundle of Curiosity Son Goku\'s skills were negated, but because its auto skill entered pending before the negate effect resolved, you can still activate it.

*Once a skill is pending it cannot be negated and is activated/ resolved even if it's source
